**Notes:**

1. The fees set out above include the £15 EA membership fee. Where this is already paid (i.e. for second claim members) this amount will be deducted.
2. Coaches, team managers, and all other volunteers who do not train or compete will be registered with the club but will not be subject to a fee.
3. The Life Member category is not subject to a membership fee.
4. **Higher Competition Club Member** members will be handled separately. You may be subject to an EA Admin fee, but you will not attract a SAC fee unless you wish to train with a SAC Coach and/or at a SAC funded venue.
5. Southampton AC do not operate a social membership option, and expect that all athletes will want to take advantage of the training and competition opportunities organised by the club
6. Fees will be pro rated at 25% discount from September 1st (new academy intake) and 50% discount from January 1st for the last 3 months of the membership year. 'Delaying' a membership application whilst training with a SAC Coach and/or at a SAC Venue is not fair on fellow athletes and is not permitted.
